I have a few words to say regarding the CUTICURA REMEDIES. They have cured me in four
weeks' time from a Skin and Blood Disease which
/ have had for over three years. At certain times,
.ny skin would be very sore, and always kept
cracking and peeling off in white scales. In cold
weather my face was one mass of scales. When
in the cold air the pain was intense; it would
almost bring tears to my eyes, and my blood also
being in a poor condition, with a loss of hair. I
have tried every known remedy that was recommended to me, but it was of no use, and gave me
very little benefit. So, hearing of your CUTICURA
REMEDIES, I concluded to give them a trial. The
first application gave almost instant relief. In a
few weeks' time I found myself cured, and I am
thankis for what they have done for me. Your
CUTICURA REMEDIES are a blessing to those who
may have the opportunity to use them. I can
recommend them to any one.
